Wolverines Open Hoop Season At Tahoe December 5

Local Team Starting Final Practice Sessions As Season Nears

Tahoe-Truckee High School's varsity and junior basketballers went into their final two weeks of practice this Monday in preparation for their opening game of the 1956-57 season on December 8th, at which time they travel to the lower end of Lake Tahoe for a pair of non-conference games with the South Tahoe Vikings.

The Wolverines, coached this year by Jim Brehler, will concentrate on their defensive play next week following three weeks of stiff offensive drills and scrimmage. Junior guard Floyd Cooper and senior forward Wes Ball are expected to return to the squad workouts this week after being sidelined because of football leg injuries.

Pre-season drills point towards an extremely well-balanced squad, with plenty of height, speed and shooting ability. A starting five has not been announced by Coach Brehler, and he states that it will be very difficult to do so until the opener on the eighth. L. J. Robinson, a junior transfer lefthander and Ken Osburn both are hitting well from outside and should give the team the necessary speed and driving abiltiy to make the fast break work effectively. At the center position it is big Dave Rickert at 6 feet 3 inches and Tom Sheehan at 6 feet 2 inches that should provide the Wolverines with a strong pivot man and good rebounding on the boards. At the forward spots Tahoe-Truckee will have plenty of depth this season with such men as Bob Trask, Doug Wilson, Berger Nelson and Ken Vaughan, all of whom top the six-foot mark. The remainder of the squad, both of whom have an equal chance at the starting line-up, include Dean Holbrook and Doug Cooke, experienced junior varsity men.

Cubs Busy

The Cubs, coached this season by Stan Drakulich, now number 16 men with one player to be dropped sometime before the opener. The team is made up of juniors Dick Decker and Bill Lockett, sophmores include Gary Holbrook, Gary Hulbert, Dennis Rickert, John Firpo, Allan Young, Craig Robinson, Bob Williams and Walt Trainor. The freshmen class is represented by Jim Loynd, Randy Schultz, Richard Brown, Marty Kumle, Joe Montano and Stan Stock. The manager is Reg Smart.

The home season for the Wolverine and Cubs opens December 21, when they entertain the Vikings in a return engagement. Season tickets are now on sale by students and at Loynd's Drug in Truckee and the Village Store in Tahoe City. The price is $4 and saves the purchaser $2.75 for the nine home games. Tickets may also be purchased by mailing your check, with name and address, to the Tahoe-Truckee High School.

ATHLETIC HOOPERS TO MEET TONIGHT

Daven Morey of the Truckee Athletic Club urges all interested persons to attend a meeting of the club to be held at 7:30 p.m., Thursday, November 29 in the office of the state quarantine building.

The purpose is to determine if sufficient number of potential players and fans are interested in continuing the basketball program as conducted in previous years. Skiing and its potential to the enthusiasts and community will also be a subject on the agenda of the session.

Tahoe Church To Have Special Musical Program

The First Baptist Church of Tahoe City announces a special musical program Sunday, December 2, at 3 p.m. Services are held in the Tahoe Community Center. The program is being presented by the Calvary Baptist Church of Reno. There will be a quartet, trio, solos, choir numbers, and a cello special. The public is cordially invited to attend the service. The pastor is Rev. Raymond E. Fitzsimmons.

Mrs. Cleo Klein Feted On Birthday Sunday

One month before Christmas was a big day locally because it was the birthday of Mrs. Cleo Klein. Felicitations and presents were received all day Sunday and she dined at the Ralph Edwards with Mesdames Maria Brown and Wesley Karasson. Others joined them when the candles were blown out on the cake.

BIRTH DATES

November birth dates recently celebrated included Zeph Rose on November 15.

Joe Romo's birth date occurred on November 21. Lyla Frates, daughter of Mr. and Mrs. Ed Frates was the center of attention on her birthday, observed yesterday with her family and young friends.

Installation of New O. E. S., Masonic Officers Saturday

The 65th installation of Truckee Chapter, No. 116, O.E.S. will be held Saturday night in the Masonic Temple at 8 p.m. It will be a joint installation with the Masonic Lodge.

Host and hostess for the evening's ceremonies will be James McIver, P.P. and Thresia Buddle, P.M. Installing officers will be Catherine and Everett Moore, Jr., past matron and past patron of Westgate Chapter, No. 290, Berkeley and Grace Hoffman, associate grand matron of the Grand Chapter of California. Other installing officers will be marshal, Hilda Hintz and Elizabeth Bavier; chaplain, Ida Crandall; organist, Ametta Firpo and flag-bearer, Stanley Zwarg.

Officers to be installed are: worthy matron, Elmay Philippi; worthy patron, Wayne Philippi; associate matron, Lillian L. Miller; associate patron, Dan Anderson; secretary, Louise Anderson; treasurer, Victoria McIver; chaplain, Clyde Mandeville; marshal, Evelyn Mandeville.

Organist, Ruth Mizner; Adah, Margaret Holt; Ruth, Florence Waters; Esther, Lillian R. Miller, Martha, Grace Williams; Electa, Ruby Faulkner; warder, Irma King; sentinel, Sam Faulkner.

Charles Heller has been appointed flag-bearer for the coming year. Vocalist for the evening is to be Camilla Althof, accompanist, Ruth Mizner; violinist, Georgiana King; accompanist, Anne Kehm. All members and their friends are invited to attend.

Sportsmen To Ask For River Opening

The state fish and game commission has cancelled the December 7 meeting scheduled for Sacramento and set January 3 and 4 for sessions in Los Angeles. The first meeting will convene at 1 p.m. in the state building for general business. The next day will be devoted to receiving 1957 angling regulations recommendation and will convene at 9 a.m.

A meeting was scheduled for Sacramento on February 22.

The Truckee Outdoor Sportsmen are concerned with recommendations for the coming year's angling recommendations since it has been virtually promised that the restriction on bait fishing on the Truckee river between Truckee and Boca will be lifted. The restriction was put on the section last year over the vigorous objection of the sportsmen of the region and from all available reports failed to accomplish the "conservation" purpose for which it was intended by the department.

While no official report on the area was made, it has been unofficially reported as a "flop."

There seems to be little doubt that the commission will order the restriction lifted for the 1957 season.

Former Truckee Man Has New State Position

Gov. Goodwin J. Knight today announced a staff change within his office.

Effective immediately, Douglas Barrett who has been assistant press secretary will assume the duties of legislative secretary. Replacing Barrett in the press office will be Mel Riddle, former travel secretary.

Barrett, a former resident of Truckee and graduate of the high school here, was for several years associated with his parents in publication of the Sierra Sun and Truckee Republican. He has been on Governor Knight's staff for the past three years.

Tickets On Sale For PTA Benefit Dinner

Tickets are now on sale for the dinner to be given by the Tahoe-Truckee Unified PTA on Thursday, December 13 from 6 to 9 p.m. in the high school. Mr. Pringle's band is working diligently on musical selections which will include popular, jazz, Dixie-land and dance numbers.

At Game—

Mr. and Mrs. Walter Loynd, Jim and Miss Linda Loynd attended the football game Saturday between University of California and Stanford.

Outdoor Lighting Contestants Must Register To Enter

Chamber Sponsoring Local Contest With Aid Of District

With the cooperation of the Truckee Public Utility District, the chamber of commerce this year will again sponsor the outdoor Christmas lighting and decoration contest.

There is one important stipulation, however, and that is that all those desiring to compete in the judging must register at the office of the utility district prior to December 15. At that time, C. Edmunds, district manager said, registrations will be closed and unless there are at least three contestants in each of the two groups —commercial and homes—the contest will be cancelled.

There is no charge for entering, but interest must be determined in advance.

There will be a first and second prize in each division, a $25 merchandise order as first prize and a $10 merchandise order as second prize in each, or a total of $70.

Hal Welch, president of the chamber, said the district has also been asked to install the streamers over the main street, but that this depends upon whether or not the telephone company will remove the poles along the thoroughfare before Christmas. The poles have been used to anchor the light strings in the past and in preparation for installing the dial system, the phone company is contemplating removal of the old poles as soon as possible.

All those wishing to compete in the outdoor decoration contest are urged to contact the utility office as soon as convenient so that plans can be obtained.

TWENTY CUBS ARE AFFILIATED WITH JUNIOR AUDUBONS

Twenty Truckee and Floriston boys, all members of the Cub Scout dens in the area, have indicated their desire to take advantage of the Wyethia Women's Club's offer to pay their first years dues and become members of the Junior Club of the National Audubon Society.

The names of the boys were submitted by Darol McGihon, local cubmaster for Pack No. 7, Cub Scouts.

Already the members of the Girl Scout troop headed by Mrs. Frank Giovannoni, have been admitted to a year's membership in the Junior Club.

The boys who will be affiliated as a result of the interest of the Wyethia Club, of which Mrs. Ray McCarty is president, are:

Floriston: Mrs. Kathryn Ayala, den mother; Jamie Hamilton, Dick and Mike Ingals, Skip Paterson and Bob Burkhart.

Truckee: Mrs. Martin Sturcke, den mother; Monte Straub, Charles Hintz, Fosten Wilson, Dennis Stevens, John Goldsmith, John Sturcke, Courtney Lewis, Doug Nelson and Mark Moore.

Truckee: Mrs. M. C. King, den mother; Steven Davis, David Sorani, Gary Sturcke, Eddie King, Greg York and Jimmy Roth.

SCHOOL OFFICIALS TO ATTEND SESSION

Members of the governing board of the Tahoe-Truckee Unified School District are planning to attend the 26th annual connvention of the California School Boards Association at the St. Francis Hotel in San Francisco Thursday, Friday and Saturday of next week.

Superintendent John Corbin will attend the convention of superintendents starting Monday and continuing to Thursday at the same location.

Those from this district to attend include Reg Smart, board president; Fred Pedley, Herbert Obexer, Jack Felte and Byron Miller. Theme of this year's convention will be "Educational Priorities Challenge School Boards." A number of prominent, nationally known educators will speak. Among them Gov. Goodwin J. Knight is scheduled.

Leitches Visit—

Mr. and Mrs. A. P. Leitch of Placerville visited local friends briefly on Sunday.

SUNBEAMS

By WALTER M. BARRETT

"We must face the problems that will come with good sportsmanship and good management. If we do not foster every angle of old man winter, we are remiss in our duty to those who need leadership, and to those whose health and general well-being, aside from the great commercial value, can be promoted most generously." This quote by Wilbur Maynard, one time manager of the Southern Pacific Hotel in Truckee and an outstanding leader in the development of winter sports, is just as true and sound today as it was in October, 1930 when he made the statement. Maynard, first president of the old California Ski Association, now the Far West Ski Association, was making a plea for cooperation with his bid to have the 1932 winter Olympics held in Truckee. The late community leader visioned the great possibilities that would accrue from winter sports and Olympic games. Today this vision is near a reality. Assurance that the 1960 winter games will be held at Squaw Valley has been given. Truckee, as a community, can play a leading role in this program. Not a selfish role, but one of leadership and good sportsmanship. Commercial benefits will come naturally, but they must not be the prompting influence. The eyes and ears of the world will be on us, it will be up to us what is seen and heard.

Four Auto Mishaps During Weekend

Four vehicle accidents, one involving a Southern Pacific freight train, were reported during the weekend, and seven victims were taken to the Tahoe Forest Hospital for treatment.

Four people were injured in a headon collision five miles east of Truckee Saturday morning at 11:45 when cars driven by Felice Pocapalia, 68, Auburn and Robert C Kelleher, 22, San Francisco hit headon. Kelleher was cited by Patrolman Martin Sturcke for speeding, being on the wrong side of the center line and not having his car under control.

Taken to the hospital by Truckee ambulance were Pocapalia, Bonnie Pocapalia, 62, Kelleher and Jack Frost, 22, San Francisco. All were believed to have had major injuries.

Harold Paul, 32, Fresno, was hurt when the car he was driving crashed into the side of a moving freight train on the Ice Lake road crossing near Soda Springs Sunday morning at 2 o'clock. The westbound freight was in charge of Conductor Fred Wales, and Engineer W. D. Abraham, both of Roseville. Patrolman Carroll Maynard cited the car driver who was taken to the hospital.

Harvey K. Kocher, 55, San Francisco was cited for speeding by Patrolman Bud McCallen after he lost control of his car on a curve and the vehicle overturned seven miles west of Truckee Saturday at 9 p.m. He was taken to the hospital for treatment.

Charles J. Dhodi, Reno, was cited for speeding by Patrolman Sturcke after his car went out of control near Boca Saturday at 3 a.m. He was taken to the hospital for treatment.

William Bechdolts Are Parents Of Daughter

Mr. and Mrs. William Bechdolt of Tahoe City welcomed their third daughter, named Lynnel into the family circle on Tuesday, November 27. The little girl, born at Reno, is the fifth child of the well known couple.

WATER OFF

Residents in some sections of town were without water for a time Wednesday as a result of a break in one of the mains near the Veterans Memorial building. A member of a state survey crew struck the main with a pick and it was necessary to shut off the water while repairs were made.

Local District To Have Member On Proposed Board

Voting Will Decide Issue But Will Not Provide Necessary Fund

If the voters of Placer County and adjoining areas approve formation of a county wide junior college district to supersede that now operating Sierra College in Auburn at the January 22 election called by Albert F. Bequette, county superintendent of schools, management of Sierra College would pass to a new board of trustees, selected on a geographical basis.

The action taken by the state board of education, approving the county wide district, authorizes Bequette to appoint an interim board of five members, one coming from each of the following areas:

(1) The area comprising the Lincoln Union High School District.

(2) The area comprising the Tahoe-Truckee Unified School District.

(3) The area comprising the Roseville City, Alpha, Dry Creek, and Center Joint Union Districts.

(4) The area comprising the Rocklin, Eureka Union, Loomis Union, Penryn and Newcastle elementary school districts.

(5) The area comprising Ackerman, Alta Vista, Auburn Union, Blue Canyon, Colfax, Dutch Flat, Emigrant Gap, Foresthill, Gold Run, Ophir, Placer Hills, Spanish Dry Diggings and Northside elementary school districts.

This interim board would take over management when appointed by Bequette, and serve until a board of five members from the same districts, is chosen by an area wide vote in May, 1957.

The January 22 election determines only if the district shall be formed, and enables a governing board to begin functioning until an elected board can be chosen in May.

Letters of concurrence to the proposal to from a county wide junior college district on January 22 have been filed with Albert F. Bequette, county superintendent of schools by the school district organization committees of Nevada, El Dorado and Sacramento counties.

The letters of concurrence were requested since the proposed district includes a portion of Nevada County contained in the Tahoe-Truckee Unified District; a portion of El Dorado County included in the Placer Joint Union High School District, and small fragments of Sacramento County contained in Dry Creek Joint and Center Joint elementary school districts.

Residents of the areas affected, along with Placer County registered voters, will vote in the January 22 election called by Bequette.

In the case of El Dorado County, residents of the Northside Union District, through members of the governing board, are on record urging El Dorado's School District Organization Committee to concur. The letter of concurrence followed.

The entire proposal was approved by the state board of education this month at a meeting in Chico, following a recommendation by the Placer School District Organization Committee, headed by Willard H. Dietrich of Roseville.

PTA FOOD SALE TO BE HELD DECEMBER 7

The Truckee Elementary School PTA Christmas "goodies" food sale will be held December 7 at 10 a.m. Anyone not being able to deliver contributions may contact either Mrs. C. W. Sciutto or Mrs L. H. Braasch, co-chairmen. Details will be announced in next week's Sierra Sun.

SEVEN RECRUITS JOIN LOCAL CUB SCOUTS

Seven new members of Truckee Cub Scout Troop, No. 7, have been inducted at recent pack meetings. They are John Sturcke, Fosten Wilson, Dennis Stevens, John Goldsmith, Courtney Lewis, Monte Straub and Charles Trainer.

Presentations made included the silver arrow in the wolf rank to Gregory York and a silver arrow in the bear rank to Ed King. Joe Straub has received his lions badge and James Roth and Gary Sturcke were presented with one-year pins.

Bob Trask Winner Of Most Valuable T'n T Player Honor

Robert Trask, star athlete at the Tahoe Truckee High School, was presented with the Lions Club most valuable player award at a meeting of the club held at Donner Lake Lodge last night during which the 1956 Wolverine football squad and the cheer leaders were guests.

The presentation was made on behalf of the Lions by Coach Stan Drakulich, who cited the many achievements made by Trask during his high school career. James Brehler, head of the boys' physical education department, was program chairman and Roy Waters presided.

Dick Darcworth, backfield coach at the University of Nevada at Reno and Coach Drakulich of the local school, were the speakers for the evening.

Walt Mandeville of the Lake Tahoe Lions Club was a guest.

Many Trees Being Stolen In District

A large number of Christmas trees are being stolen this year from both publicly owned lands and privately owned lands, forest service officials report.

In order to stop this promiscuous and unlawful cutting and transporting of Christmas trees, the help of the landowners, state highway patrol, county sheriff's office, and the police forces are being enlisted.

Anyone found cutting or transporting Christmas trees without proper bills of sale or shipping permits in violation of county ordinance, state and federal laws will be hailed into federal, state or county courts as the case demands. Information regarding ordinances and regulations can be obtained at any police station or forest service office.

Christmas trees are valuable merchandise and the person responsible for theft of same will receive sentences similar to a person convicted of theft of money from a bank or any business house.

David Cook Returns To Honolulu After Cruise

PEARL HARBOR, T.H.—David A. Cook, fire controlman third class, USN, son of Mr. and Mrs. A. B. Cook of Truckee, aboard the escort destroyer USS Walker, returned to Pearl Harbor November 11 after a 30,000-mile cruise in the Fast East with Destroyer Division 253.

The division is a hunter-killer force engaged for anti-submarine warfare.

Among the ports visited were Hong Kong, Okinawa, Guam, and the Japanese ports of Tokyo, Yokohama, Sasebo and Yokosuka.

During the five months' cruise some 1,300,000 gallons of water were distilled, 6000 loaves of bread baked and 130,000 meals served aboard each ship.

TWO BABIES BORN AT LOCAL HOSPITAL

Two new residents of the district arrived via Tahoe Forest Hospital within the week. Doyle Chase Barnett the III arrived there on November 25 to greet his parents, Mr. and Mrs. Doyle Chase Barnett, II of Kings Beach.

The boy weighed in at 6 pounds and 8 ounces. Dr. Allen Sklar was the attending physician.

Mr. and Mrs. Louis Goicoa of Truckee became the parents of a son who was born at the local hospital on November 27. The lad, named Ricardo weighed 8 pounds, 3¼ ounces on arrival. Dr. W. Prescott was the attending physician.

CLEAR WEATHER

Clear, cool weather has predominated the weather picture here for the past month and indications today are that it will continue. No precipitation has been recorded and the temperature has ranged from near zero to the mid 50's.

In East—

Mr. and Mrs. Robert Pankoke of Donner Lake are visiting relatives in Waukegan, Ill., expecting to return home in December.

Guests On Thanksgiving—

Mr. and Mrs. William Fordham and family were out of town Thanksgiving guests.

Incorporation To Be Studied For This Community

Tentative Figures Reveal Income May Exceed Present Costs

A detailed study of the feasibility of incorporating this community into a city of the sixth class is being undertaken by a group of local business people, headed by Hal Welch, president of the Truckee Chamber of Commerce and Harold Berliner, Nevada City attorney.

Each of the 20 local sponsors is being asked to contribute a sum of $20 to finance the project and determine whether or not incorporation is desirable and economically worthwhile.

A summary investigation, based principally upon figures which are entirely estimate, but reasonable, indicates that from a number of angles the region would benefit materially. The contemplated study will verify or refute these estimates.

Sale Tax Figured

The project is also based on the assumption that a county sales tax will become effective within the not too distant future. This has been contemplated and Supervisor H. G. Loehr has declared it to be more than a possibility. Unless Truckee is incorporated when the sales tax becomes a reality, all of the tax collected here, estimated at $45,000 annually, will go into the county coffers. If incorporation becomes effective, a large share of this tax is returned directly to the city.

Those who have made the summary investigation declared that using the same tax rate now being paid, a city would have approximately $5000 balance at the end of a fiscal year.

Tentative Figures

These figures have been submitted as a starting point in the contemplated study:

Cost Of Operation

Streets and snow removal	$ 40,000
Police	10,000
Sanitation	12,000
Administration	20,000
Fire protection	20,000
Miscellaneous expense	10,000
Total cost	$115,000

Estimated Income

Sales tax	$ 45,000
City tax (maximum $1.25)	25,000
Court fines and fees	20,000
Liquor license refund	5,000
State road funds	10,000
Other subventions	15,000
Total income	$120,000

While no boundaries have been defined, it is understood that the survey will include the Donner Lake area where residents and business people are apparently favorable toward the incorporation plan.

GUN CLUB RESUMES WEEKLY MEETINGS STARTING MONDAY

Members of the Truckee Rifle and Pistol Club will resume meetings on Monday, December 3 at 7:30 p.m. and will meet each Monday thereafter. The meetings are held at the Veterans Memorial building and the organization is sponsored by Truckee Post, No. 439, American Legoin, and the National Rifle Association.

Anvone 18 years of age or older is welcome to attend and instructions on care, use and safety in handling guns will be given by members of the club. Membership dues are $2 per year. Official publications may be obtained by contacting the secretary.

Officers of the club are Al Henry, Tahoe City, president; Harry Barnes, Truckee, vice president and Frank Quilici, Truckee, secretary-treasurer.

Extension For Cutting Local Trees Announced

Roy Saarni, Tahoe National Forest ranger, announced Wednesday that due to an increasing number of local requests in the Truckee district of the Tahoe National Forest, Christmas tree tags and permits will be issued for the next two Saturdays, December 1 and 8. The hours will be from 10 a.m. until 2 p.m.

On December 15 and 16 permits will be issued from 10 a.m. until 4 p.m.

One tree permit will be issued per family for the Tahoe Truckee area residents and tags may be obtained by contacting the local rangers at the Sagehen Creek turn-off, 10 miles north of Truckee on Highway 89.

Local Men Recovering From Pneumonia Attack

Constable N. F. Dolley who was taken to the Tahoe Forest Hospital Saturday with pneumonia was reported to day to be well on the way to recovery. Another pneumonia patient there, R. N. Little, was also up and about and hopes to leave the hospital soon. Richard Joseph was discharged last week after a bout with pneumonia and is recuperating at his home.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — Further indication that the 1957 session of the legislature will be "up to its ears" in oil, as predicted immediately after the November 6 elections by "Affairs of State," was seen when Assemblyman H. W. "Pat" Kelly, of Shafter, Kern county, chairman of the assembly interim committee on manufacturing, oil and mining industry, announced a hearing in Sacramento December 13 on proposed changes in the existing oil and gas conservation law.

Kelly, coming from the heart of California's oil country indicates there are many proposed changes which will be considered as a result of the defeat of Proposition 4, the so-called conservation law proposed by the major oil companies in an initiative measure.

The chief difference in the defeated measure and the present gas and oil conservation measure, and this was not brought out during the campaign to pass Proposition 4, is that under present law, a single operator in an oil field can stop the "unitization" plan by refusing to become a part of the conservation project.

Proposition No. 4 proposed that the single objection be excluded to permit unitization if 75 percentn of the operators wanted this type of operation, which would have frozen out many small operators in fields throughout the state.

And this is undoubtedly what will be proposed to the assembly interim committee on manufacturing, oil and mining when Chairman Kelly holds his meeting here in Sacramento. For it is not anticipated that the major oil companies will take their crushing defeat lying down, although representatives of Richfield, which sponsored the move to put the measure on the ballot, said just this week that this particular oil company is slightly tired of the word "conservation."

However, it is already known that three bills will be brought before the legislature, if not before the Kelly committee. One of these will be from the major oil companies, and another from the independents. Then the ctiy of Long Beach is preparing a measure, which in all probability will deal with conservation in relation to the subsidence problem that city has in connection with the removal of oil from under its harbor. This removal, it is claimed, is causing the city to sink into its own harbor.

The subsidence problem was a major issue when the city of Long Beach and the state compromised suits in which the state claimed the revenue from the rich tideland oil wells of the city, and provisions was made in the compromise to help whip the subsidence problem.

In his announcement of the meeting to discuss changes and amendments to the existing law, Kelly said that he has invited all oil operators in the state to appear and make recommendations for legislation that will benefit the industry.

This means that extensive hearings could be held, unless the recommendations are submitted in writing, with the result that some time will elapse before the committee has recommendations of its own to submit to the legislature in January.

Thus the 1957 session looks like it will be a "liquid" session, with oil and water the primary issues before the state solons.

TEMPER

A person with a temper often gets into trouble. If a person with a temper loses it when he drives a car, he may also lose his life, says the California State Automobile Association. Many accidents are caused by one motorist trying to get revenge on another. When you drive, leave your temper at home or you may not get home.

Bronze plaques now mark the site od offices and relay stations along the Pony Express route from St. Joseph, Mo., to San Francisco.

STRICTLY STRICKLAND

By Bill Strickland

Weldon F. Heald, who is a snow forecaster, claims the snow depth this winter on Donner Summit will be in the neighborhood of 275 inches. This, of course, is much less than last year's recorded 510 inches and way, way below the 788 inches recorded in 1952. This lighter fall will actually be advantageous in that it is plenty for skiing, but will be much less to remove, also it stands to reason that with a lighter snowfall there will be fewer stormy days and consequently more days of our incomparable sunshine. In my book, 275 inches is plenty adequate, I only use about the top half inch, so there should be plenty for everyone.

Mr. Heald also states there is a cyclical rise and fall in total snowfall every 15 years or so. The 1952 record snowfall culminated one of these 15 years cycles and the trend has since turned downward.

The Peninsula Ski Club, which has its headquarters at the Donner Ski Ranch, presented Warren Miller's latest movie, "Have Skis, Will Travel," a few evenings ago in San Francisco. It is one of the best ski movies I've ever seen and Warren's running commentary is priceless. It will be shown at the high school auditorium in Truckee on January 5. Take my advice and set that date aside so you can attend. You'll not be sorry. The Viking Ski Club which has its headquarters just opposite the Donner Ski Ranch is also sponsoring a ski movie. There's will be John Jay's latest "Great, White World." We've seen John's previous efforts so know this will be another outstanding hit. Incidentally, all of the profits from the Peninsula show, are used to bring as many children as possible for a winter weekend at Donner Summit from the San Francisco Edgewood Home for Children. A real worthwhile undertaking and we certainly tip our Ski Tips to all of you.

The youngsters who skied for the Post No. 11, American Legion, last year will not, unfortunately, have the financial support of that august group this year. Because of the tremendous success of these young racers last year, they will be sponsored. All are being registered as unattached for the present, and will compete on that basis until a bona-fide sponsorship comes up. In the meantime, these kids, with such determination and driving desire to win will have an opportunity to continue racing, regardless.

The Donner Ski Ranch's publicity program is starting to jell—large billboards are beginning to appear on Highway 40—out of San Francisco—a complete newspaper coverage via display ads in the sports section has been arranged for. The above information from Tony Richter, manager of the Donner Ski Ranch.

State's Cash Balance Is Reported In Good Shape

SACRAMENTO (CNS) — Cash condition of the state treasury on September 30 indicated $131,962,440 in the general fund, State Controller Robert C. Kirkwood annonced today.

He said this compared with $144,774,391 at the end of the preceding month, and $104,306,435 on September 30, 1955.

The balance of September 30 was a decrease of $12,811,951 under the previous month, almost all of which, Kirkwood said, represents the excess of cost of government expenditures over revenues.

General fund governmental cost expenditures for the first three months of the 1956-57 fiscal year totaled $205,936,790, an increase of $24,845,495, or 13.72 percent over the same period last year.

Principal increases were apportionments for elementary schools, high schools and junior colleges, which jumped $4,060,000; aid to needy aged, $1,831,369; University of California, $1,360,591; aid to needy blind, $133,104, and miscellaneous fixed charged and appropriations, $17,940,201.

Revenue deposited in the treasury during the first three months of the fiscal year amounted to $235,255,002, which was an increase of $18,359,116, or 8.47 over the corresponding period last year.

Increases in revenue came from state sales and use tax, bank and corporation franchise and income taxes, personal income tax, inheritance tax and sundry other revenues.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) Our Thanksgiving project was turkeys made from pine cones and the children were proud of their contribution to the table decorations.

Sandra Davis and Michael Bellotti are away on winter vacation trips with their families.

We have a new class member, James Mathes, who has moved to Truckee with his family from Sierraville.

First Grade: (Teacher, Ruth Croxen.) Eddie Timmons is back in our room after being gone for two weeks.

Jerry Neugebauer, John McGlade, Dicky Daniels and John Clark were among those making a perfect score in arithmetic on Wednesday.

Rose Pinedo, Michael Kydd, Kathie Hart and Beverly King drew some very good turkeys for our room.

Third Grade: (Teacher, Arlene Roth.) In our most recent arithmetic test the following boys and girls had perfect papers: John Besio, Charles Hintz, Anne Morey, Monty Straub, Clydene Strickler and Julie Knoff. Those who missed only one were: Debbie Ellis, Candy Hamilton, Dawn Maynard, Mark Moore and Charles Trainor.

We have enjoyed two treats from Charles Trainor's mother.

Fouth Grade: (Teacher, John Stever.) Routine matters handled by the pupils were as follows: lunch cards, Wade Mosley and Jimmy Roth; noon hour committee, Wade Mosley, Eddie King, Marcia Leamon and Judy McGwinn; midmorning, Donnie Thomas and Gary Sturcke.

We are pleased to have Donna Lee Haune, recently of Reno, a new member in our class.

Sixth Grade: (Teacher, Ruth Roberson.) The following pupils received 100 percent in the trial test in spelling on Tuesday: Patsy Jensen, Ramona Perry, Daven Morey, Kathy Curran, Shirley Patton, Janice Roth, Ellen Patnoude, Mike Kenyon, Ginger Barnes, Pamela Rose, Joe Parkhurst, Pat Saarni, Lloyd Kunkler, Jerry Kirby and Joey Smith.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) Last Friday our entire class was invited to visit a home being built in the neighborhood. Jack Hallahan showed us through the house, and we saw Dyanne Lausche's father and Carol Elser's father working there.

Another pupil has entered our classroom. He is Bobby Brandt. Bobby is in the first grade and formerly lived in San Jose. He and his family are now living at Tahoe Vista. Our class enrollment is now 36.

On Wednesday, Cindy Plunkett celebrated her fifth birthday at school. Hostess at the party was Cindy's mother, Mrs. Ray Plunkett. Other guests were Cindy's father, Ray Plunkett and Cindy's two sisters, Christie and Suzanne, and the entire kindergarten and first grade. We enjoyed birthday cake and apple cider.

Wednesday afternoon, the first grade was invited to see Mrs. Corbin's class put on a Thanksgiving program.

Second and Third Grade: (Teacher, Katherine Wing.) Miss Foresta McGouran, county consultant of Placer county schools, visited our class during spelling on Tuesday.

Wendy Howell brought a turkey which she made out of a pine cone.

The following children went away for their Thanksgiving vacation: Brenda Hallahan, Reno; Carl Christiansen, Los Angeles; Wendy Howell, Los Angeles; Vern Wing, Marin county; Kenny Kammerer and Beverly Bergman, Oakland; also Chris Althof, near Sacramento.

We were guests of Mrs. Corbin's room Wednesday. Her class put on a play about Pilgrims and Indians.

Third and Fourth Grade: (Teacher, Dorothy Corbin.) Last Wednesday we gave our program at school. We invited Miss Knudsen's first grade, Mrs. Wing's second and third grades and Mr. Bisio's fifth and sixth grades.

Our first scene showed the Indians coming to California in canoes. Laura Tuette read an Indian poem and Estelle Howell and Wendy Boatman each played an Indian piece on the piano.

The children made their own clothes and all of the necessary props.

Fifth and Sixth Grade: (Teacher, R. P. Bisio.) Larry Free left school this week to take up residence at Cathedral City. We will see Larry again in the spring.

DONNER TRAIL SCHOOL

Kindergarten, First and Second Grades: (Teacher, Jeanne Kessey.) The primary grade children at Donner Trail School are learning how to use and care for library books. They are planning a trip to the Tahoe-Truckee High School Library.

Third, Fourth, Fifth and Sixth Grades: (Teacher, Robert Bailey.) We held a class assembly last Wednesday to observe Thanksgiving.

Kenneth Kisor returned to school after a two weeks' illness. He had both the flu and measles and was very sick. We are glad he is well again.

We are joining a pen-pal group in Mrs. Bailey's class. We hope to hear from students in foreign countries as well as in other parts of the United States.

TAHOE LAKE SCHOOL

Kindergarten and First Grade: (Teacher, Geraldine Bean.) First graders really put effort into their workpapers this week and our impressive star list shows it. Rocky Riggs, Ruth Ann Dunn, and Ernie Marier made the star list three times. Breezie Cross, Dianne McBride, Dwight Lang and Denise Henrikson made two stars. One start paper this week went to Tabor Griswold, Anna Marie Conners, Janet Jorgensen and Bro Shontz.

Third and Fourth Grade: (Teacher, Lillian Farr.) During a Thanksgiving discussion on the factors of our wonderful life in California, the third and fourth grades enjoyed beautiful scenes taken from Mrs. Farr's collection of View Master reels.

Fifth and Sixth Grade: (Teacher, Mrs. Helen Rauscher.) The fifth and sixth grade welcomed two new sixth grade students into their midst. Elaine Bramlett hailed from Sacramento and Keith Holden arrived from Truckee.

The class was entertained by Erica McLane's dramatic reading.

A vote was taken to decide which Thanksgiving Day card was the most original. The honor went to both Erica McLane and Steve Horvath.

LAKE LEVEL

TAHOE CITY—With 345 csf of water leaving the gates at Tahoe City, the level of Lake Tahoe Monday was $6227.80 feet. Chilly, but sunny weather has prevailed with the mercury going from 20 on Thanksgiving Day to a high of 48 on Saturday, Art Frodenberg, cooperative observer, reported.

Mr. and Mrs. W. M. Dugdale of Tahoma are in Berkeley, planning to stay there during the winter.

Muscular Dystrophy Fund Drive Started By Women

CRYSTAL BAY — The Ladies Auxiliary of the Veterans of Foreign Wars has been chosen by the Muscular Dystrophy Association to distribute cannisters for the MD drive being held from November 10 to December 3.

Cannisters have been placed in Tahoe City at the Tahoe Inn, Jay's Drug, Tahoe City Bakery, Bacchi's Inn, Jack & Dinty's Market, Village Store, Harry's Sporting Goods Store and Porter's Apparel Shop and in Kings Beach at Stop 'n Shop, Kings Beach Variety, Hale's Drug and Crystal Bay Club.

Any contribution will be appreciated. This marks the first time the auxiliary has been engaged in this worthy program. Mrs. Pearl Moore is president of the organization.

California has the highest farm income of any state in the nation.

Veterans Auxiliary Will Present Pins At Carson

KINGS BEACH—Six members of the Ladies Auxiliary of the Veterans of Foreign Wars of Post No. 7077, have qualified for pins in the membership contest which will be concluded at a meeting held in Hughes Memorial Hall, Carson City, Sunday, December 2 at 2 p.m.

They are Barbara Bergman, Vera Woods, Ethel Antonson, Icey LaBorde, Benita Jones and Pearl Moore.

At a recent meeting of the group, Mrs. Nellie Tuttle was appointed to succeed Mrs. LaBorde, who has resigned as secretary. Projects for the coming year were discussed and outlined and it was decided as part of the veterans hospital work, the group would select an individual patient who would be "adopted" for the year.

Plans for the Christmas party were made. Refreshments were served by Diana Finigan and Bernita Jones.

Announces

$1 BILLION OF LIFE INSURANCE NOW IN FORCE

STATE FARM INSURANCE

F. W. Wilson, local agent for the State Farm Insurance Companies of Bloomington, Illinois, announced today that State Farm Life Insurance Company's Ordinary life insurance in force passed the one billion dollar mark in September. "No other life insurance company," he added, "has ever grown so large during its first 27 years through the individual placing of policies by its own agents.

"We feel this billion dollar achievement is a strong endorsement of our State Farm auto-life-fire 'personal insurance plan. And by the people who count most—our policyholders."

Mr. Wilson invites interested readers to contact him with any or all of their automobile, life and residence insurance problems. Telephone Truckee 101.

WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe

JUST FOR FUN

Mr. Bill Williams, local wire chief, is in the process of forming his 1957 version of the Telco Basketball Team which will participate in the Truckee Athletic Club League. Williams has managed the team for the past two years and reports that he has many of the same players returning from last year's squad but has a few new names.

As of this date the Telephone employes who will be on the team are George Day, Dale Freeland, Don Anthony, Bob Jorgenson, George Selkirk, Rod Triplett, Bob Riggs, Jim Day, Warren Baxter and K. C. Wright.

All of the players and Mr. Williams join with your manager in saying that we are looking forward to a season filled with good healthy recreation, good sportsmanship and just lots of fun, win or lose.

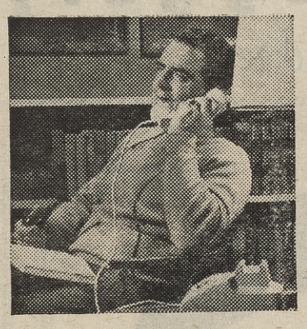
Don't open till Christmas!

But you can sure put additional telephones—and in color, too—on your Christmas shopping list right now. They're an ideal gift and what's more, they're easy to order. Just call us and we'll deliver, fancy-wrapped and ready for the Christmas tree.

* * * * *

Just picture Mom here in the kitchen with a handsome ivory wall phone at her fingertips. The kitchen is a room *she* uses a lot so she'll appreciate a handy phone. She has beauty and convenience for $1.00 a month after one installation charge. Mom might also like a neat spring cord in a shade that complements her color phone. Another gift idea is an illuminated dial phone that makes calling easy in the dark.



Or here's Dad in his den. No need for him to hurry through the house to answer the phone. He's got an additional phone in the room *he* uses a lot. They come in eight exciting new colors—as well as attractive two-tone combinations—to harmonize with the room's decor. Other gift ideas for Dad might be a hands-free Speakerphone or an answering and recording set that takes messages when nobody's home.

Christmas Next

The year goes so fast. Thanksgiving is already behind us and the children are devouring the catalogs to decide what would be nice to give—and to get. These latter are said extra loudly and extra often to make sure Santa Claus hears.

Away For Holiday

Many Tahoeites left the lake for their Thanksgiving holidays. Albert and Dorothy Lang and their little first grader, Dwight, joined Leonard and Audry Wykert in Sacramento for the feast day. Wykerts are well known in Homewood. Mrs. Rowena Cincotta and her boys, Howard and Paul, also spent the holidays in Sacramento with friends.

Jim and Doris Day and their little girls, Connie and Roxanna, went farther afield, clear to Idaho, to visit relatives. They, however, had a full week rather than just the holiday weekend.

Armen and Georgia Abrahamian of Carnelian Bay and their three, Sharon, Armen, and Gary visited Georgia's brother and family in Lodi.

Bill and Maryanne Conners and the children spent the holiday in Pasadena with relatives.

Mr. and Mrs. Ralph Rauscher drove to Winnemucca to be with Helen's parents, Mr. and Mrs. Ramon Montero. They also attended the wedding of a cousin there.

From San Jose

Mr. and Mrs. George Tiffee celebrated at home with their son-in-law and daughter, Kenneth and Boldwyn Bruce, from San Jose. The young couple were able to be up for the whole holiday.

At Lake Forest

Hal and Lillian Farr were guests of the Bruce Wright family in Lake Forest. Bill, Sharon, Mike and Susy of course helped to lighten the groaning table in true Thanksgiving tradition.

Stuarts Gather

Mr. and Mrs. J. R. Stuart of Lake Forest had all the children and grandchildren with them. The boys, Jay and Ed, both came home from Sierra College in Auburn.

And the Dempseys, Link, Peg E., Pat, Mike and Dennis joined them for the day. Dempseys, by the way, have just moved into the Telephone Agency where Peg E. will be chief operator this winter.

Thanksgiving Dinner

Mr. and Mrs Les Spitsen and Maryanne and little John joined Mr. and Mrs. Martin Spitsen and Joan and Jeannie and Martin for a Thanksgiving supper Thursday night. Over the weekend Martin and Barbara took Joan down to her school in Belmont and did some pheasant hunting enroute.

Up From Lincoln

Mr. and Mrs. Jake Obexer who are spending part of the winter in Lincoln came up to be with their son and family, Herb, Edna and Jakie Obexer in Homewood.

Plan Folk Dances

Miss Geri Bean used the holiday to just plain old work on her house. Geri also announces that if enough people are interested beginning lessons in square and folk dancing could be given here in Tahoe City. John and Sophie Levra will be teachers. Bob and I learned from the Levras and would not exchange anything for the fun and pleasure we have had with the Tahoe Twirlers. It would be wonderful to have a group closer than Kings Beach. There is no charge for beginning lessons and all ages are cordially invited. If some of you feel too old come and watch John and Sophie anyway. They are a delight to see. Let Geri Bean know if you'd be interested at Tahoe City 10R and she will tell you when and where.

Attend Wedding

Sharon Little and Fred Wofford were married as you will read elsewhere in the Sun. Jay Stuart went down picking up Pat Fox in Sacramento and Sue Knoeffler in Modesto on the way. Christine Bechdolt and Roger Holbrook also went down to attend the marriage of their schoolmates.

On Vacation

Mr. and Mrs. W. C. Vernon have left for a proposed week's holiday. They were to have had Thanksgiving dinner with their daughters, Sgt. 1c Florence Vernon at Hamilton Field. From there their plans included going on to Monterey and Carmel. Mrs. Vernon had a bad cold at their departure but we all hope with her that it did not shorten their trip.

Spaghetti Dinner

Do not forget the PTA spaghetti dinner Saturday night, December 8, at the school. Tickets will be $1 for adults, 75c for teenagers, and 50c for children. Mrs. Carolyn Hendrikson is in charge of arrangements and there will be plenty of food for all. Notice the boxes put out inthe stores for toys. These will be sold very cheaply at the dinner. This is a good chance to get rid of some of the push toys your children are tired of and exchange for a pull-one that will seem brand new to your small-fry.

Youth Organization

We have all expressed interest in and enthusiasm for the High Sierra Youth Organization which which has been so recently formed. We must not let your youngsters down by a loss of interest. Adults are needed to chaperon affairs now. It is not fair to let just one or two spend all their time doing this. The young people will do all the work and planning of whatever they attempt but adult sponsors are needed. If you will give an evening let Paul Horvath or Elaine Wright know. The more who can, the less nights outs there will be, if I make myself clear!

Perhaps it should be made clear again that all students of Tahoe-Truckee High School are eligible to be members of the organization. There is a club in each communtiy and also the groups will get together as one. Teenagers who are new here and who have graduated elsewhere are most welcome too. They must be sponsored but that can easily be arranged. Again get in touch with Paul Horvath or Elaine Wright.

Consumption of mercury in the United States duringn 1955 was the highest in 10 years, totaling 57,15 flasks.

TELEPHONE MAN IS ROTARY SPEAKER

KINGS BEACH—President Pappy Brooks presided over the regular meeting of the Rotary Club of Brockway Monday night at the Crystal Bay Club.

Ray Plunkett told of the wonderful film on polio which is being presented by the Veterans of Foreign Wars. The club decided that on next Monday night we have our ladies of Rotary and also the members of the Tahoe City Club and their ladies present at which time the polio film will be presented.

The president turned the meeting over to Leon Barker program chairman, who presented George Selkirk, manager of the Pacific Telephone and Telegraph Company in this district. Selkirk told of the laying of the submarine cable in the lake and also of the growth of the telephone business in the Lake Tahoe area. Early in 1957 Soda Springs and Truckee will have dial systems and in June Tahoe City will be in on the dial system.

Standard's educational program helps provide college training for 286 students this year

Industry needs many trained minds with specialized knowledge. For example, the paleontologist who supplies accurate data for oil exploration by studying fossils of marine life from millions of years ago.

THEY CALL THIS THE ATOMIC AGE . . . the era of the "thinking" machine. But above all, this is the age of *human* thought. For today our country needs more and more skilled minds to harness our atoms, advance our culture and guide our government. Standard, too, needs fresh concepts to maintain its position in a highly competitive business. That's why this year Standard's educational program makes available, through colleges, 234 scholarships for undergraduate study, 52 fellowships for graduate work, plus a series of grants to universities.

In these ways, Standard affords young people throughout the country a better opportunity to contribute to their professions and communities.

Balmy Weather

The day after Thanksgiving, and what a day. It is beautiful, two men with a caddy went up the golf course having a free round, and a couple of girls riding horses along the the golf course road. You have to admit that is wonderful for the 23rd of November. The Mount Rose road opened on November 17.

Thanksgiving

Had a very nice dinner on Thanksgiving with Slim and Icey Laborde and of course sweet Lieta Louise, their daughter. It was a delightful experience at the Crystal Bay Club, where many locals celebrated the holiday.

Gifts

And now Icey Laborde is jumping the gun on Santa Claus. She has ordered the Sierra Sun to be sent to her mother, Mrs. M. R. Price at Santa Ana as a Christmas gift. Isn't that cute? That's an idea for you too, inexpensive and lasts for every week in the year. Oh yes, Mr. and Mrs. Robbie Robinson of Kings Beach have ordered it too, Robbie is with the county road department and says they want to get all the school news.

Welcome Home Again

Last Friday night who should step off the big plane at Reno Airport but our old and valued friend, Eugene Jarvis, who came all the way from dear old England by air. At the moment I have not seen him, but I am told that he looks and feels wonderful. Gene stayed in Reno for a day or two so that he could get a check up. I hear also that he lost about 30 pounds, which won't hurt him a bit. Sure nice to have him back and all that know him will say a great big welcome home.

Up For Holiday

Sam and Audrey Harrison and relatives were up at the lake over the holiday, being newcomers to our neighborhood they were highly delighted with their new home, and the balmy weather. Sam bought a lot just in front of their home on the golf course as proof of their love for the lake. Their guests were a brother, George, and Clementine Harrison from Reno, Mr. and Mrs. Sarkis Phillipo-sian, children, Sandra, Gregory and Richard. We enjoyed a swell lunch with them last Saturday. We wish they were staying all winter, but will spend that in San Francisco. Now Audrey has just ordered the Sun.

Eddie Was Devine

What do you know about our Eddie Devine being on TV with that showman Lou Costello? We didn't know he was so celebrated, he was brought out to meet Costello on the TV show "This Is Your Life." It seems they were quite pals a few years ago. Eddie sure cut a figure and the Kings Beach folk were real proud of him.

Another Celebration

Mr. and Mrs. Rocky Rockholm and children, Mr. and Mrs. Doc Rockholm, and children, Fred and Francis Rockholm and daughter and Mr. and Mrs. Fred Del Bond from San Francisco had a wonderful re-union over the weekend.

Happy Times

Ray and Susie Sorensen and their little son, Gregory, of five weeks, were up for a few days during the past week, visiting their parents, Andy and Alice Sorensen. If that little fellow isn't the cutest baby I ever saw. Ray was leaving last Sunday for Mojave Base and would stay, for a few days while Susie would go right on to Laguna Beach. Ray is presently stationed at El Toro. While at the Sorensens, we had the pleasure of seeing John Moore, son of Eddie and Mrs. Moore of Brockway. He is now studying at Reed College in Portland. Oh, yes, Loma Sorensen was home for a few days, and to top it Alice had a nasty cold. Nice thing not to be ableto cuddle her grandson. Glad to say Andy is coming along swell. Susie is daughter of the Chuck Wests of Kings Beach.

Fire Station

Sunday morning I was looking over the new fire station at Kings Beach. If you have the time stop and give it the once-over, it is really remarkable the progress that has been made. It covers over 2000 square feet, three roomy stalls for the fire engines, room for offices for every need, and not only that there is ample room for extention to build. The building is green with fire engine red doors, it is hard to express the gratitude to all of those who made this possible. Of course Mac Burroughs and Max Krueger were the real instigators of the project and the many years of planning. Some gave of their time and some of materials. Among them were Charlie Cagle and Jude Cagle, Carl Brooks, Henry Graton, Boru O'Brien. Mac Burroughs was in his glory painting the doors red as I left. It just shows what cooperation can do it's a project to be proud of, and we are just that. Lots of others worked on the job and we shall mention them later.

Tahoe Twirlers

The Tahoe Twirlers had a big night at the Carpenters Hall, Kings Beach last Saturday when around 50 attended. According to Sophie Levra, square dancing is held the first, second and fourth Saturday of each week. The callers were John Levra and Sophie, and Al Nesbitt of the southend of the lake. Lloyd and Virginia Everett attended from Truckee.

Community Club

Steve Port informs us that there will be a meeting of the Community Club on December 5th in the Carpenters Hall, Kings Beach. This notice is to give the people within the boundaries of the utility district time to think over their several problems. If you are interested in getting street lights on a certain intersection talk about it. Highway problems, setting up committees, and possible reading of the state health department report of our district. Come prepared to talk on your problem, says Steve, the president.

Lions

President Dave Ashton was at the helm at a big Lions Club meeting held at the Crystal Bay Club last Tuesday, led by Earl Stice, zone chairman, of Truckee. All presidents and secretaries of the district attended and a good report was made of all departments, with lots of fruitful activities in the making. Fred Schultz, president of the Tahoe Sierra Chamber of Commerce was a guest.

Big Wedding

Well, the big event was a huge success, the wedding of Sharon Little of Kings Beach to Freddie Wofford in Fresno last Sunday. The ceremony was very pretty, and was followed by a delightful reception. Many guests attended from this area, including Sharon's sister, Karen, Davey Ashton, Bob Molsberry, Jay Mandeville, Diana Waddell, Red and Mrs. Waddell, and naturally the parents, Jerry and Mrs. Little. Most of the guests spent Thanksgiving in Fresno.

Thrilling Thanksgiving

This was a thrilling Thanksgiving for Joe, Enola and Martha DeGregorio of Kings Beach who spent Thanksgiving at Willits with Enola's mother, Mrs. Wynn Powers, Sr. Enola met a number of schoolmates she had not seen for 20 years and no less than five November birthdates were celebrated. There were 20 present and Joe took with them their beautiful organ and a highlight of the day was when seven-year-old Martha played and sang to delight all present.

State Welfare Roll Shows Sharp Drop In Past Year

SACRAMENTO (CNS) — The downward trend of persons on state welfare rolls and the amount of money expended for old age security, aid to the blind, and to needy children, continued during the month of September, George K. Wyman, director of the department of social welfare, reported to Gov. Goodwin J. Knight today.

He said 502,222 persons were on all rolls in September, as compared with 507,432 in August and 513,600 in September, 1955.

Kosher Food Probe Is To Be Made By Rabbis

SACRAMENTO (CNS)—John M. Peirce, state director fo finance, today announced appointment of three rabbis who will conduct a survey to determine the extent of compliance with state law concerning the sale of kosher meats and other food preparations.

The three are Juda Glasner, Morris Kaplan and Osher Zilberstein. The survey was instituted after representations were made to the joint legislative budget committee that laws were not being complied with.

Tahoe Items

Sunning themselves in the tropical atmosphere of Honolulu are Mr. and Mrs. Julius Gold, formerly of Goldcrest at Kings Beach, living in the heart of the Waikiki shopping center, the well known Tahoeites are staying indefinitely, during the winter months.

Donald Evins of the Tahoe City Fish Hatchery is now in Sacramento.

Mr. and Mrs. Ira Blair of Kings Beach have located in San Francisco.

Attorneys for Plaintiff

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA
No. 11274

SUMMONS

GEORGE KASPIAN,
Plaintiff,
vs.
B. B. REDDING and "also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiff's ownership, or any cloud upon plaintiff's title thereto,"
Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Nevada, and the Complaint filed in the office of the County Clerk of said county.

BERLINER & WETHERALL, Nevada City, California, attorneys for Plaintiff,

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO:

B. B. REDDING and "also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the Complaint adverse to Plaintiff's ownership, or any cloud upon Plaintiff's title thereto," Defendants.

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint on an action entitled as above, brought against you in the Superior Court of the said County of Nevada, State of California, within ten (10) days after service on you of this Summons, if served on you within said County; or within thirty (30) days if served elsewhere.

This action is brought to determine the adverse claims to and clouds upon the title to the real property described in the Complaint herein and hereinafter described by the said Plaintiff, who claims that by himself, or by himself and his predecessors in interest, he has been in the actual, exclusive and adverse possession of such property continuously for twenty (20) years prior to the filing of the said Complaint, claiming to own the same in fee against the whole world, and to have paid all taxes of every kind levied or assessed against the said property during the period of five (5) years continuously next preceding the filing of the said Complaint, and which said real property is situated in and said Counties of Nevada and Placer, State of California, and described as follows, to-wit:

PARCEL 1: All that portion of the Southeast Quarter of Section 16, Township 17 North, Range 16 East, M. D. B. & M., lying between the county line separating Nevada County from Placer County and the Southerly line of Section 16, Township 17 North, Range 16 East, M. D. B. & M., and Easterly of the Easterly line of the State Highway running through the Westerly Half of the Southeast Quarter of the above numbered Section 16.

EXCEPTING THEREFROM any portion of the herein described property that may lie within the boundaries of "Tahoe-Truckee Forest" as per map filed July 4, 1910 in Book "B" of Maps at pages 7, 8 and 9, in the office of Placer County Recorder, State of California.

PARCEL 2: All that portion of the Southeast Quarter of Section 16, Township 17 North, Range 16 East, M. D. B. & M., lying Southerly and between the Southerly line of the right of way of the Central Pacific Railway Company's main line railroad between Colfax and Truckee, California, and the boundary line separating Nevada County from Placer County, and Easterly of the Easterly line of the State Highway running through the Westerly Half of the Southeast Quarter of the above numbered Section 16, lying in Nevada County, California.

AND YOU ARE HEREBY NOTIFIED that, unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the Complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and the seal of the Superior Court of the County of Nevada, State of California, this 20th day of April, 1956.

New Auto License Tabs Improved For New Year

Your California vehicle registration will be renewed for next year by attachment of a reflectorized red sticker, marked for 1957, to your rear license plate.

The department of motor vehicles announces that annual renewal procedures otherwise will include the features familiar in recent years. Pre-punched cards setting forth fees for the new year will be mailed to all registered owners of vehicles immediately after Christmas.

Applications for the validated registration cards and stickers will be received at 115 DMV field offices, at additional points served by traveling registration crews, at 100 temporary stations in selected banks, by authorized auto clubs and associations, and by mail.

Paul Mason, state director of motor vehicles, said the stickers will replace the metal tab issued in former years as a renewal token. They are red in color, with black letters and numerals reading "California 1957," and are 1½ by 1⅞ inches in size.

"The motoring public will find several advantages in this device," Mason said. "They are easier to attach to the rear license plate than the metal tabs. They reflect light, thus adding a new visibility point to the rear end of the vehicle and adding a safety factor in night driving. Finally, they cannot be removed from a license plate without being destroyed or mutilated, thus adding a protection against theft or fraud, or evasion of the law by illegal transfer."

The renewal period dates are from January 2 through February 4, 1957. A small number of motorists who purchase vehicles after December 1, 1956, wil be required under the law to register for the full year 1957, and will receive their '57 certificates and sticker upon registration.

MOTORISTS AGAIN GET WARNING ON SCHOOL BUS LIGHTS

SACRAMENTO — Red lights flashing from the top of a school bus means stop, says the California Highway Patrol.

"Motoristss approaching a school bus stopped beside the road with red lights flashing must stop and not pass the bus until the lights are turned off," declared Patrol Commissioner B. R. Caldwell today.

"These lights are used by the school bus drivers when children are about to cross the street or highway."

"It should also be emphasized that motorists are not required to stop if the lights are not lighted or if the bus is on the opposite side of a divided highway," Caldwell continued. "Full caution is necessary for safety and everyone should be sure they know the rules concerning school buses and obey them.

Remember, the red lights indicating whether children are to cross the roadway or not are located near the top of the bus, two in front and two in the rear," he concluded. "To avoid an accident involving a school bus or its riders, obey the red lights on the bus, stop if they are flashing, do not stop, but proceed with caution if they are not lighted."

RUN WITH THE PACK

It's all right to express your individuality when you pick out a tie or a hat, but when you drive, run with the pack, says the California State Automobile Association. Don't be the one who swerves in and out of traffic, speeding up and then having to step heavily on the brakes. Pace yourself with the flow of traffic, you'll avoid trouble.

The Concord coach carried nine passengers inside and six more on the roof, together with luggage in the leather boot behind.

The Fred Pedleys of Truckee are due to take off on Tuesday of this week for a vacation of ten days. They planned to leave by plane from Reno for Winnepeg, Canada, where they will visit Pedley's ailing mother, Mrs. Marie Pedley, whom they have not seen for 15 years. It will be Pedley's first visit home in 27 years. While there he will also see his sister, Mrs. Oval Knight and family, who reside in Winnepeg, and stop to visit his brother, Maurice, and family in Minneapolis.

Mr. and Mrs. Lynn Kishbaugh and daughter, Jan, returned on Sunday following a Thanksgiving weekend which greatly resembled "Old Home Week." They enjoyed dinner on the holiday with Mrs. Kishbaugh's parents, Mr. and Mrs. George Marquardt of San Jose, other guests including Peg's cousins, Mr. and Mrs. Raymond Crosby of Mt. View. They then motored over to Pleasant Hill where they visited old friends, and former Truckeeites, Mr. and Mrs. Hugh Smith and daughters, Jill and Kim Anne, who have moved into their attractive new home. Other guests who soon arrived to join the party were Mr. and Mrs. Robert Madge (Mr. Madge, another former Truckee teacher along with Mr. Smith) and their daughters, Kathy and Carol, of Concord, and Mr. and Mrs. Erv Johnson who reside near Richmond. A wonderful time was had by all.

Little four-year-old Margaret, daughter of the Victor McLanes, celebrated her birthday on Monday with an afternoon party at the family home. Guests who enjoyed the beautiful birthday cake, and ice cream, followed by a clay modeling session, included Jody and Margie Stewart, Diana Fair, Kelly McQuary and their mothers and Jonathan and Mikie McLane. The small honoree opened her presents following a family dinner party in the evening.

Miss Sheri Curran, newly elected royal princess of the Truckee Pythian Council of Sunshine Girls, presided at her first meeting on Wednesday evening in Odd Fellows Hall. The members voted to hold a short session at their December 19th meeting, after which they will exchange Christmas Gifts and then hold an invitational "Sleigh Bell Dance." This a novelty affair at which tiny bells are attached to the dancers' wrists or ankles, adding a harmonious tinkle to the music.

TWO KILLED WHEN CAR CRASHES TRUCK

PLACERVILLE—Two men were killed and a woman critically injured Monday night when the automobile in which they were riding crashed into the rear of a truck on Highway 50 about 12 miles east of here.

The dead were identified by the California Highway Patrol as William Advin Young, 41, of Bijou, and Cleo William Blake, 55, of Vallejo. The injured woman was identified as Mrs. Bernice Carol Delbo, 42, of Bijou.

Highway Patrolmen George Vessler and Sgt. Bernard Ball said the car was driven by Young and the truck by Fred G. Scott, 57, of 6549 24th street, Rio Linda. Scott, according to the patrol was traveling west at a slow rate of speed, when he collision occurred. He was uninjured.

Mrs. Delbo was taken to a Placerville hospital.

Patrolmen said the accident is under investigation.

99 Compete In Ski Tourney At Squaw

SQUAW VALLEY—The sixth annual Turkey Trophy giant slalom competition was held Sunday in the third bowl on the upper slopes of Squaw Peak under the best possible weather conditions on fine corn snow rarely found in the fall.

Ninety-nine accredited contestants from not only the Far West Ski Association but intermountain and Pacific Northwest Associations as well turned out for the fast 28 gate, half-mile race.

Don Gasaway of Tacoma, Wash., invaded Far West territory to take home to his Sun Valley Club the second straight year the trophy for fastest time of all classes. He covered the half mile course in 49.7 seconds, two seconds faster than the local club's Bill Briner who won the open race with a time of 51.8.

In the open class, photographer Briner led three Squaw Valley, Pepi Gassiot, 52.2; Joe Auchenthaler, 54.2; and Gordon Butterfield, 55.1. Jim Nocklos of the Sierra Club and Charlie Find of Truckee Athletic Club followed with 60.0 and 67.0, respectively.

Right behind winner Don Gasaway of Tacoma in the Class A competition Robin Miller of Portland claimed a fast 50.4 and Norman McLeod of Squaw Valley followed with 51.3. Young Jimmy Huega of Lake Forest, running in this top non-professional class, came in fifth with an official time of a flat 52 second. All three were faster than thetop speed in the open field.

Trophies were awarded to the top three in each class. Other winners in the day's events were: Class A women, Babette Haueison of Truckee, Phyllis Simon of Sun Valley, and Laurie Wakeman, unattached.

Class B men: Mickey Hogan, unattached; Doug Lummis of Sierra Ski Club in Loomis; Jack Bosta of Reno.

Class B women: Peggy Miller of the Yuba Sutter Ski Club; Diana Cookingham of Oakland; Miss Chaney of Rubiyat.

Class C men: Dick Sippel of Fresno; Jim Tobin, Fresno; Daryl McClure of Portland.

Class C women: Pat Cole, Rubiyat; Marsha-Jo Demorest, unattached; and Nancy Hayne, Rubiyat.

CHURCH NOTES

Christmas Message for Sunday Worship

Beginning Sunday Rev. Wesley H. Osman will embark on a new series of messages dealing with the life of Jesus and its bearing on the Christmas theme. He will start this Sunday with "Jesus, the Lonely One." The Sunday morning worship will start at 11 a.m. and church school at 9:45 a.m.

Regular Meeting of W.S.C.S., Monday, December 3

This coming Monday evening at 8 p.m. the Women's Society of Christian Service will hold its regular meeting in the church. At this meeting there will be a special Christmas program.

OLYMPIC REPORT AT STATE C. C. MEETING

Many projects directly affecting the welfare of the public and the prosperity of the many lines of business catering to the traveler and vacationist will be discussed and acted upon at the 29th annual meeting of the California State Chamber of Commerce, according to Joseph R. Knowland, statewide chairman of the travel and recreation committee. The meeting will be held at the Palace Hotel in San Francisco on November 30, 9:30 a.m.

For those interested in winter sports there will be an electronic brain computed forecast of snowfall throughout the state for the 1956-1957 season. Prentis C. Hale, president of the organizing committee, 1960 winter Olympic games, will make a direct report from Melbourne to the meeting on the status of the 1960 winter Olympic games to be held at Squaw Valley.

Tarzan

by EDGAR RICE BURROUGHS®

A SCORE OF MOUNTED WARRIORS HAS JUST GALLOPED UP AND SURROUNDED TARZAN AND HIS COMPANIONS.

AFTER SUBMITTING TO CAPTURE, TARZAN, WALTER KEYS AND JOE RICE ALLOWED THEMSELVES TO BE TAKEN TO A DISTANT VILLAGE, FOR HERE THEY HOPED TO FIND THE MYSTERIOUS WHITE QUEEN.

THEY WERE ESCORTED TO THE LARGEST HUT AND, TRUE ENOUGH--THERE SAT A LOVELY, REGAL WOMAN!

THE QUEEN SMILED IN BITTER RECOGNITION. "WELL, UNCLE WALTER, WHAT COULD YOU POSSIBLY WANT HERE?"

NOW WHAT'S ALL THIS NONSENSE ABOUT US BEATING, PERSECUTING AND LOCKING OUR DAUGHTER IN A DARK CLOSET?

THAT'S WHAT THE KID TELLS ME—NOW LEMME LOOSE SO'S I CAN TAKE A POKE AT YER UGLY PUSS!

WELL, I CAN'T BLAME YOU, OLD TIMER. OUR DAUGHTER'S A VERY TALENTED FIBBER. THERE'S NOT A WORD OF TRUTH IN WHAT SHE TOLD YOU!

PROVE IT, BLARST YE!!

YOU WAS TELLIN' THE GOSPEL, WASN'T YOU, PRINCESS??

WELL... NOT EXACTLY...

THEN THIS AIN'T YER CROOL (CHOKE) STEPMOTHER... AN' THEY DON'T LOCK YOU UP IN NO DARK CLOSET WITH NOTHIN' BETWEEN YOU AND STARVATION BUT HARDTACK AN' WATER?

THEY MIGHT HAVE THOUGHT ABOUT IT- BUT THEY NEVER ACTUALLY DID IT!

WELL THEN, HOW DO YOU EXPLAIN SHE CAN TALK TO HORSES?

TALK TO HORSES??

'I CAN SWEAR TO IT.' THIS KID WALKS IN, HAS A CONVERSATION WITH THE BEETLES, FINDS OUT WHO'S DUE T' COP THE CUP—AND REPORTS BACK T'ME.!!

RIDICULOUS!

THERE'S ONLY ONE WAY T' FIND OUT WHO'S FIBBIN' NOW.!! WE GOT JUST ENOUGH TIME T' MAKE THE DAILY DOUBLE. C'MON, PRINCESS!
